

# THE NEW DELUXE COTTAGES – COMFORT MEETS NATURE:

Located at prime spots within the resort, the Deluxe Cottages provide a stunning

sea-view, to be enjoyed from the terrace or through one of the beautiful bay

windows. These leave the rooms light-flooded and fill them with a modern

yet traditional atmosphere. The bedrooms have a bathroom attached and are

equipped with air-conditioners and electric kettles. We

invite you to experience the comfort of these new

rooms in the green heart of our tropical garden.

## RESERVATION DETAILS

### Which sales rate applies to these Deluxe Cottages?

The new Deluxe Cottages are sold at the same price level as our Kerala Standard Rooms.

### These Deluxe Cottages replaced existing other Cottages.

### How are previously confirmed bookings of these handled?

Any existing confirmed cottage booking with a requested room number that turns out to be one of the rooms converted into the new Deluxe Cottages will receive a complimentary upgrade to the new category of course. To any new incoming bookings from 13.09.2016 onwards the new price level of the Deluxe Category will apply.

### Where are the Deluxe Cottages located?

One group of Deluxe Cottages are located near the Beach gate in close view of the sea.

Another two Deluxe Cottages are positioned below the Ayurvedic hospital. These two rooms are more central with short pathways to common facilities such as the restaurant, the reception, etc. On the property map the Deluxe Cottages are colored in a sandy shade and are numbered #150 - #158.
